To: Daniel Stevens <dstevens@campaignforaccountability.org>;

Dan,

There were not any records we held back for any reason. The reason we didn't produce anything for your request is because we have never done an audit of, or received any report concerning, the Carolina Pregnancy Care Fellowship.

I did however do a thorough check to make sure that was an accurate statement.

Let me know if you have any other questions.

Sincerely,
Tim

Mr. Hoegemeyer,

Thank you for responding to our request. I have one clarifying question. Can you tell me if there were any requested records that were not released because they were determined to be exempt from disclosure? If so, can you please describe the reasons for any such determination.

Thanks!

Dan

Subject: Response to public records request

Mr. Stevens,

My name is Tim Hoegemeyer and I'm the General Counsel to the N.C. Office of the State Auditor. Our office received your request for public records dated March 15, 2018.

Your request sought copies of "all audits, certifications, and other reports conducted by or submitted to the Office of the State Auditor in connection with state grants awarded to the Carolina Pregnancy Care Fellowship ("CPCF") ... for records from January 1, 2013 through the present."

After a thorough search I have concluded that we have no records falling within the parameters of your request.

Let me know if you have any questions or need anything else.

Take care and have a good day.

Sincerely,
Tim
